

YOUNG PERSON'S VIEW & COMMENTS FORM

You can come to the mediation meeting but you do not have to. It is important that we know your **views and feelings** and how you think things could be sorted.

Please **fill in this form**. Or let us know in other ways, for example by drawing pictures, a recording or telling us on the phone.

Only the mediator will get this form. We will **not** show it to others unless you want us to.

You may want to tell us about work in different lessons or other activities and how you get on with friends and teachers.

Is there anything at school/college that you do not like?

This could be to do with friends, break times, work, how you get on with teachers

If you are unhappy about something at school/college, how do you think it could be made better?

Is there anything else you want to tell us?
