

Halton Autism Conference - Friday 24 March 2017

Thank you very much to everyone who attended the Halton Autism Conference on Friday 24 March 2017.

The feedback forms were really positive and it seemed that everyone enjoyed the day as much as we did.

Due to the success of this event, we hope that there will be more opportunities for parents and schools to train together to develop our understanding and practice around autism.

Thank you,

Ami McNamee Lead for Specialist Teaching, Advisory and Autism
Anne Garcia Specialist Teacher for Autism
Stacey Holleran Specialist Advisor for Communication and Interaction
