Our associates classes work with children, young people and adults through performance to build on confidence and self awareness. Encouraging each performer to grow and develop their own unique personality.

Our associates class as a foundation offers our performers an opportunity to progress into the Ella Performance Group.

These fun and friendly performing arts classes operate 48 weeks a year. Each term runs for 11 weeks. Fees are paid at the beginning of each term

Classes are split by age into class sizes that enables tutors to give each performer the attention they require.

All our tutors, staff and volunteers have an enhanced DBS check, so ensuring that students experience performing arts in a comfortable, relaxed and safe environment.

Classes are lead by professionally trained tutors who also have vast personal experience both in theatre and television.

Working towards a performance is crucial as this supports communication, team building, social interactions and building new friendships. Throughout the year there will be opportunities for our performers to showcase to others their newly acquired skills and talents.

WHEN YOU DANCE TO YOUR PURPOSE IT IS NOT TO GET TO A CERTAIN POINT ON THE FLOOR.

IT'S TO ENJOY EACH STEP ALONG THE WAY -

WAYNE DYER

North West Empowerment Now Award 2012.

The judges stated that “the group showed how by supporting people to look beyond disability, to embrace the community as a whole and by the education of others of the difficulties faced by marginalized groups within our society, Ella has shown that by working together we can achieve great things and break down barriers”
