Halton Autistic Family Support

HAFS is an established voluntary support group run by families, supporting families in Halton affected by Autism. HAFS offers a relaxed friendly and supportive environment where the whole family is catered for as we understand how Autism affects the whole family.

Families are supported through a wide range of services that cover information, advice, guidance, signposting to other services, advocacy/representation, short breaks, respite, relaxation therapies, regular meetings, leisure and recreational trips and outings.

If you need support and want to join a growing and effective group, please call the Office on 01928 711412 for further details.

You are not alone anymore.
