

Do you have Special Educational Needs or a Disability?

Are you aged 25 or under?

DID YOU KNOW THAT YOU HAVE A RIGHT TO BE PROVIDED WITH INFORMATION AND ADVICE?

YOU can contact Halton SEND Partnership about matters relating to your Special Educational Needs and Disabilities, including health and social care.

Our service is impartial. This means that we will not take sides or tell you what to do. We give you the information you need to make your own choices.

Our service is free which means you don't have to pay for anything.

Our service is confidential & private, which means we will only tell other people what we talk about if you say it is OK. If you would like a parent or carer to help then that is OK too. (We also need to tell people if you are in danger of being hurt).

We lend support with things like: school, college or training, healthcare & social care.

We aim to help you understand what the law is, what rights you have for support and how to get the support you would like.

We can call you, email you, Facebook you, or even arrange to meet you.

Call us on: 0151 511 7733
