

Halton's MAX Card Scheme?

What is it?

The Max Card is a discount card for families of disabled children that can be used at various leisure and holiday activities across Britain. The scheme is designed to help families save money on great days out at castles, zoos, bowling alleys and more.

Halton has registered with this national scheme in the hope that some activities may be more affordable for families.

Please see the website for further details - <http://www.mymaxcard.co.uk/>
