

WANTED

Men who are 55 or over, who live in Widnes & surrounding area.

To join The Widnes Men's Shed Project

The purpose of this Shed is to give men a different type of venue to attend. This shed will be a friendly, welcoming and relaxed place. Where men can sit and chat, do something practical or quite simply have some where to go to sit in quiet reflection. You don't actually have to do anything, during your time at the shed.

I am looking for the men of this town to be part of its design and planning by offering their skills, knowledge and experience. It will be the new members input that will contribute to the shape of this shed and what it will become, this is the uniqueness of what sheds all over the world are about.

The Widnes Men's Shed is currently under construction. It's at the beginning of its journey but it needs new members to get it off the ground and to become established.

We make & fix things, pursue hobbies & ideas and visits places of days gone by!

Just call in for tea/coffee! We meet every Thursday 6-9pm at St John's Church Centre,

Greenway Road Widnes WA8 6HA. You can just turn up on the night or for an informal chat or phone Colin on: 07910 926 595 or email him on chorleycolin@hotmail.co.uk

MOST IMPORTANTLY: The Men's Shed is for ALL men 55+. This also means you. You may be one of the fortunate ones: healthy, happy, still leading a full life, everything still going for you and, with the best of luck, long may it continue.

It is because of the above that you would become a very important member of the shed because you would bring a different viewpoint about your life; this would have a positive effect on the men around you who may or may not be struggling. **So even in your later years you still have a big part to play in helping others, giving something that's very precious and important, which is your time.**

Many thanks

Colin Chorley

The Widnes Men's Shed Coordinator
