

# Supported Internships in Halton

This document has been created following various conversations with some schools and the college about supported internships. It contains hyperlinks to signpost the reader to further useful information.

- National Grid have produced an extensive toolkit about setting up supported internships as part of their EmployAbility - Let's Work Together programme – [available here](#).
  - They have developed lots of guides, factsheets and downloaded templates free to use [here](#)
- BASE – British Association of Supported Employment:
  - [here is their website](#):
  - And here are the national occupational standards for [supported employment and job coaching](#)
- The national Preparing for Adulthood website. The website has lots of helpful information and resources, [well worth a look](#).
  - Here's a link directly to their resources about [supported internships](#)
- Benefits calculator - the national organisation 'Contact' have lots of information about [benefits and welfare advice](#) and here's the link to a [benefits calculator](#) so young people could see if they would be better off in work
- Access to work – is a source of government funding that can be claimed to cover costs of job coaches for supported internships and some travel as well as some other things. [Here's the web link](#)
- Here's an interesting website that provides labour market information. [Here's the website](#)
- Here's an example of a [vocational profile workbook](#).

I hope you find the information helpful. Please do not hesitate to contact if you would like to discuss anything further.

Many thanks
