## Introduction

If you are from Halton and are, or will be, a care leaver this leaflet is for you, it tells you about all the support that we have in Halton for you as a care leaver.

Just because you are leaving care, or have already left care, we haven't stopped caring about you. We know that it is a big step when you move out of care and start living on your own or with friends, so we want to make sure that you feel safe and supported and know where and who to go to for advice and help.

Local Care Leavers and the Children in Care Council have helped to make this leaflet and also the development and design of an interactive website, where we have published our [Care Leavers Local Offer](https://localoffer.haltonchildrenstrust.co.uk/care-leavers-local-offer/)

<https://localoffer.haltonchildrenstrust.co.uk/care-leavers-local-offer/>

We will continue to listen to your views, to make sure that the services we offer are what you need. We will update this leaflet and our website regularly as new services and entitlements are agreed.

If English is not your first language, or if you have communication difficulties, we will arrange for you to have a copy of this leaflet in a format you can access.

Your Personal Adviser will talk to you about the information in this leaflet.

## Who can get support

To be able to get the support set out in this leaflet, you must have been in care:

- For at least 13 weeks between the ages of 14 and 16 (including your 16<sup>th</sup> birthday);
- For 13 weeks after your 16<sup>th</sup> birthday;
- Because you were an Unaccompanied Asylum Seeker who is in the process of seeking leave to remain.

If you are not sure whether you qualify for support ask your Personal Adviser.

If you are a failed asylum seeker who is 'Appeal Right Exhausted' you will not be entitled to support within this Care Leavers Local Offer.

# The Pledge

### What is the Children in Care Council?

The Children in Care Council is a group of young people, who are all cared for by Halton Borough Council, who represent the views and wishes of all children in care and care leavers. We meet once a month to discuss the things that really matter in our lives. The Children in Care Council gives us the chance to speak up, shape and influence the parenting we receive at every level.

We would like you to get involved! If you would like to join the Children in Care Council, get more involved or raise an issue for discussion please contact us ...

### What is the pledge to Children in Care and Care Leavers?

## Corporate Parenting Principles, our priorities

We have adopted 8 Corporate Parenting Principles.

In everything we say and do we are mindful of these principles and we will map our Children in Care and Care Leavers Strategy and our 'Pledge' to these principles:

## Halton's Care Leaver Local Offer, The support we must give you by law

### A Personal Adviser

Following changes introduced through the Children and Social Work Act 2017, you will be able to ask to have support from your Personal Adviser up to the age of 25 whether you are in education or training, or not.

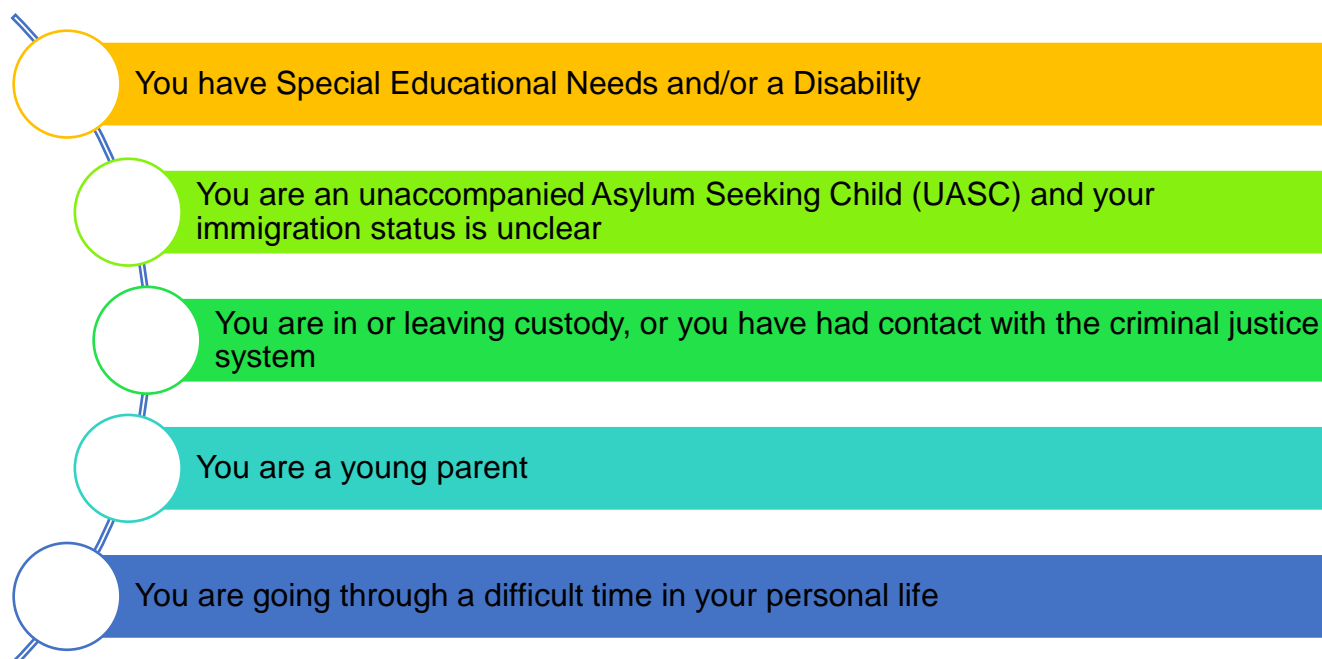

Your Personal Adviser is there to help you to prepare to live independently and to offer advice and support after you leave care. Personal Advisers get involved in discussions about your needs and your Pathway Plan.

Your Pathway Plan is written by the Local Authority after consultation with you and important people in your life. It sets out your needs, views and future goals, and exactly what support you will receive from us. We will review your Pathway Plan with you regularly so that it is kept up-to-date.

We will try to let you keep the same Personal Adviser, though this will not always be possible. The amount of support that you receive from your Personal Adviser will depend on what you want and your circumstances.

Your Personal Advisor will consider with you what extra support you may need. You might, for example, need extra support because:

## Your right to be heard and taken seriously

You have a right to be involved in all decisions about your plans for leaving care. You have a right to support from an independent advocate if you are thinking about challenging decisions about the care we give you.

Independent advocates can inform you about your rights and help you to be heard in meetings. They are separate and independent from the Children's Services.

**RAISE YOUR VOICE**

If you want to make a complaint you can contact our Customer Care Manager, Dorothy Roberts on Tel: 0151 511 8624, by email [dorothy.roberts@halton.gov.uk](mailto:dorothy.roberts@halton.gov.uk) or send a text to Tel: 07775765489. We will arrange for you to have access to an independent advocate through the National Youth Advisory Service (NYAS) should you wish to make a complaint.

Or if you want, you can contact NYAS direct on Tel: 0808 8081001, by email [help@nyas.net](mailto:help@nyas.net) or through their website [www.nyas.net](http://www.nyas.net)

Please note, we are eager to hear from you if things are going well too – you can make a compliment or simply comment on our services by contacting our Customer Care Manager in the same way you would if you were to make a complaint.

You have a right to see the information we keep about you, including the files and records written about you when you were in care, this is called 'Access to Records' or a 'Subject Access Request'. If you want to access your records you can speak to your social worker or Personal Advisor who will arrange for this to happen.

## Leaving care before turning 18

We will encourage you to stay in care until you are 18. Most young people still live at home with their families at this age. If you choose to leave care before age 18, the law says we must provide you with suitable accommodation.

### 'Stay Put' with your former foster carer

If this is what you and your foster carers want, we can support you to remain with your foster carers under what's called a 'Staying Put' arrangement. This can last until you are 21, you should speak to your social worker if this is what you want to do. The Staying Put Policy is available at [http://www.proceduresonline.com/halton/cs/p\\_stay\\_put.html](http://www.proceduresonline.com/halton/cs/p_stay_put.html)

## Other support we offer

### Accommodation

If you are aged over 18, your Personal Adviser will help you to find suitable accommodation, this might involve:

- Working with Housing Services to come up with suitable housing options for you, including supported accommodation if you are not ready or don't want to have your own tenancy.
- Support to access different housing options including social housing (this is accommodation generally managed by Halton Housing, or another local registered social housing landlord).

- Advice about holding down a tenancy, including avoiding rent or Council Tax arrears, paying bills and budgeting. We know it can be very hard having your own place for the first time. We will do whatever we can to ease the pressures on you. As a Halton care leaver, if you live in Halton, you will be exempt from Council Tax until your 25<sup>th</sup> birthday.

- Help you to claim housing benefit/universal credit.
- Practical support with moving into and furnishing your new home.
- Help to get your National Insurance Number.

- Support you if you have a housing crisis, including helping if you are threatened with or lose a tenancy. If you are aged 18 – 20 you will be treated as a priority need group under homelessness legislation.

## Support to engage in Education, Training or Employment

We want to make sure every young person leaving care has the support to achieve their goals in life.

We want you to succeed in your education, training and employment.

We will ask you how you are doing and we will be ready to celebrate your achievements with you.

The law says we must provide you with assistance with expenses linked with employment, education and training.

The Halton Virtual School will provide support and advice and/or signpost you to other help available as needed [www.myvirtualschool.org](http://www.myvirtualschool.org)

- Help to maintain or regain contact with people special to you, or who cared for you in the past, like former foster carers, social workers or independent visitors.
- Support to reconnect with family where this is in your best interests.

## Participation in Society

We want our care leavers to be active members of society and to have all the chances in life that other young adults have. We can help you participate in society in the following ways:
