FUSSY EATING AND SNACKING

**Are meal times a battle? Are your children always hungry or asking for snacks?
Is your child reluctant to try new foods?**

We know how hard it can be when children just want treat foods and refuse to eat proper meals. Meal times can be stressful for everyone when children are 'fussy eaters'.

We all want our children to grow up healthy, but it's easier said than done to get them to try healthy foods.

During this session we will look at alternatives to sugary snack favourites, as well as techniques to help your child try and accept new foods.
