

We are a LOCAL CHILDRENS CHARITY based in Runcorn Old Town. Our aim is to offer play opportunities to children of all abilities through the different services we provide.

We are a commissioned service delivering short breaks for Halton Borough Council. **"R Clubs"** is a Saturday Short Break service. This is for children and young people, aged 8 to 18, with a wide range of additional needs, who are referred to us by the Boroughs Children's Disability Team. This is currently delivered for 50 weeks per year at Warrington Road Childrens Centre and Halton Lodge Childrens Centre. There are 2 sessions in each location, every Saturday, at each venue. Each session is 2.5 hours long and is just £3 per session

We also provide a service for 4 to 8-year-olds. This operates on alternating weeks between Glendale Family centre and Warrington Road Childrens centre. There are 2 sessions in each location, fortnightly, at each venue. Each session is 2 hours long and is just £3 per session. Again this is a referral service via DCS.

We also offer **"Holiday Playschemes"** during school holidays to all children, of all abilities, aged 5 to 12 at sites across Runcorn & Widnes. There are 2 sessions per day for 5 days a week, children attend as many or as few as they want to. Each session is 2.5 hours long and costs just £1. No booking required just arrive and play! Additional support can be planned and offered to children requiring 1:1 support, who are then allocated sessions to attend so their needs are supported. Locations and dates are published on our Facebook pages

Our **"Play, Learn & Loan" Toy Library** service offers over 450 resources for hire to parents/carers/childminders/schools and organisations at nominal cost. Once registered members can hire items from just £1. The Resources range from baby/toddler items to outdoor equipment, soft play, sensory equipment and trikes for additional need Children.
