INTENSIVE INTERACTIONS

Runcorn Based

OVERVIEW

Develop an understanding of the basic principles of Intensive Interaction and the ability to implement and evaluate Intensive Interaction techniques

WHO IS IT FOR?

- Early Years Practitioners
- Teachers
- Teaching Assistants
- SENCOs

WHAT YOU WILL LEARN

Aimed at practitioners working with children who:

- have poor/reduced joint attention
- appear to not acknowledge others
- non-verbal/have limited functional communication
- rejects interaction from adults/peers

If professionals have recommended this approach with a child or you are interested in intensive interaction, please book on.
