Hazlehurst Studios    Dawnstar Gaming    HALTON

Each day, the young participants will engage in three exciting sessions:

1. **Art-based Session with Toni:** Under the guidance of a professional artist, young people will learn to draw characters and create maps inspired by the fantasy world of Dungeons & Dragons (D&D).
2. **Crafting Session with Nick:** Create simple items on a sewing machine (no electricity required) that can be used in D&D, such as a dice bag or a campaign journal for your gaming notes.
3. **D&D Gameplay Session:** Dive into a D&D adventure! You can bring your own character, or Chris will help you create one.

### What is D&D?

Dungeons & Dragons (D&D) is a tabletop role-playing game where players create characters and embark on adventures in a fantasy world. A Dungeon Master (DM) guides the game, narrating the story, and controlling the environment and non-player characters. Players describe their characters' actions, and dice rolls determine the outcomes.

D&D is a collaborative game that requires teamwork to solve puzzles, defeat monsters, and navigate challenges. Each character has unique abilities based on their race, class, and backstory. The game is highly flexible, allowing for creativity in character creation and storytelling, and can range from short sessions to long-term campaigns. D&D is celebrated for fostering imagination, cooperation, and strategic thinking.

# Halton Short Breaks

## Have your say!

### What are Short Breaks?

Short Breaks provide opportunities for children with disabilities to take part in fun and enjoyable activities, become more independent and try new things.

They also provide parents and carers with a valuable break from their caring responsibilities. Halton Borough Council fund a variety of short breaks in partnership with private and voluntary providers.

### Why we are consulting?

Halton Borough Council's current short break contracts with providers are due to come to an end in March 2025.

In order to ensure that we commission the right services to provide Short Break Activities it is important that we gather your views on what is working well and what you would like to see in the future.
