NEW SEND Information Report 2024-2025

This Special Educational Needs and/or Disability (SEND) Information Report has been compiled using the information required as set out in the <u>Special Educational Needs and/or Disability Code</u> of Practice and Regulations 2015, Regulation 51, Schedule 1.

General School Details:		
School Name:	Runcorn All Saints Church of England Primary School	
School website	https://www.allsaintsceprimaryschool.co.uk/halton/primary/runcorn	
address:		
Type of school:	Mainstream Voluntary Aided Primary School	
Description of school:	Runcorn All Saints is a small school with currently 100 pupils on roll and in an area of high deprivation and with high mobility. Deprivation indicators are 0.4 compared to national 0.2. The school has four classes (EY, 1&2, 3&4 and 5&6) with year groups being taught separately for the majority of core subjects in the morning. The school has a pupil admission number of 20. The proportion of pupils with FSM is well above national average. Numbers of pupils with EAL rises year-on-year and is above National. Numbers of pupils with SEND are in-line with National but there is a higher percentage of pupils with EHCP's particularly in EYFS.	
Does our school have resource base? Yes or No	No	
If Yes please provide a brief description.		
Number on roll:	100	
% of children at the	17%	
school with SEND:	17.70	
Date of last Ofsted:	September 2024	
Awards that the school holds:	Silver School Games Mark & Science Quality Mark	
Accessibility information about the school:	At Runcorn All Saints, we have a culture of inclusion and diversity in which people feel free to disclose their disability and to participate fully in school life. The achievement of disabled pupils and students will be monitored and we will use this data to raise standards and ensure inclusive teaching. We will make reasonable adjustments to make sure that the school environment is as accessible as possible to all.	
Please provide a web link to your school's Accessibility Strategy	https://www.allsaintsceprimaryschool.co.uk /halton/primary/runcorn/site/pages/keyinformation/policies	
Expertise and training of school based staff about SEND. (CPD details) Please comment specifically in relation to autism and include dates.	SENDco – Working towards NASEND award with Level 7 Apprenticeship (National Award for Special Educational Needs Co-ordinator); Termly staff training from SENDCO or external agencies; All Staff trained in Autism and inclusivity. Range of Provision and inclusion information:How we identify special educational learning needs as a school and how we seek the views, opinions and voice of pupils and their parents in planning to meet them.At different times in their school career, a child or young person may have a special educational need. The Code of Practice defines SEN as: "A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory school age or a young person has a learning difficulty or disability if they: (a) have a significantly greater difficulty in learning than the majority of others of the same age: or (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions."Teachers and support staff use a range of formative and summative assessments to help identify special educational needs and seek support from the SENDCo and SEND Leadership team. If a learner is identified as having SEND, we will provide provision that is 'additional to or different from' the normal differentiated curriculum, intended to overcome the barrier to their learning. We also seek external support where we deem this is necessary. In 'IEP' (Individual Education Planning and rotiferent the wing and rung meand the provision that is 'additional to or different planning and rung meand the rung and rung meand the rung and rung meand the rung and rung meand the rung and rung meand the rung and rung meand the rung and rung meand meand the rung		4

	develop programmes to support children with
	social communication difficulties or autism.
	The school has a wide range of resources to
	use with children according to the individual
	plans and programmes recommended by
	specialists. Teaching staff and learning support assistants
	also meet with specialist speech and language
	staff when they visit children. They also put into
	action any advice/strategies in their day-to-day
	support and feed back to teaching staff on how
	to best support specific children in class-based
	situations as well as to parents.
	Alternative break and lunch time provision 'quiet
	club' has been established to enable children with social and communication difficulties to
	access the full range of activities available to
	them.
What strategies/programmes/resources	The school work with the local speech and
are available to speech and language	language provider as well as with the school
difficulties?	health department to gain support and strategies
	for children with speech and language
	difficulties.
	The school has a wide range of resources to use with children according to the individual
	plans and programmes recommended by
	specialists. Interventions are planned and
	delivered on a daily basis in order to help
	children make progress towards their individual
	targets – related to speech and language care
	plans. Teaching staff and learning support assistants
	also meet with specialist speech and language
	staff when they visit children. They also put into
	action any advice/strategies in their day-today
	support and feed back to teaching staff on how
	to best support specific children in class-based
	situations as well as to parents.
Strategies to support the development of	We value high-quality teaching for all learners
literacy (reading /writing).	and actively monitor teaching and learning in the school. The school has a good range of
	resources including IT to help children make
	progress.
	A number of programmes such as Nessy and
	targeted interventions such as Progress in
	Writing are used to support the development of
	writing.
	The school have embeded the Floppy's phonics scheme to further support reading and writing
	skills across the school. The school's reading /
	phonics lead monitors the planning and
	delivering of the scheme and holds half termly
	meetings for further development.

Range of Provision and inclusion information	ation:
	Quality first teaching of maths supports children
	of all abilities. Additional TA support in all
•	classes is in place to support overlearning
	techniques where needed. Catch-up
	programmes are used to ensure children make
	progress including 1stClass@Number – an EEF
	a
	intervention is being delivered this year to pupils
	in Year 2. Further similar inventions are to be
	started in the academic year 2024-2025.
	At Runcorn All Saints C of E Primary School we
	believe in participation for all. We want all adults
	and children to participate in learning and we
	celebrate all members of our community.
	We create an inclusive culture in our school and
N 1	we aim to be more responsive to the diversity of
	children's backgrounds, interests, experience,
	knowledge and skills. Monitoring progress is an
	integral part of teaching and leadership within Runcorn All Saints.
	Parents/carers, pupils and staff are involved in
	reviewing the impact of interventions for learners
	with SEND. We follow the 'assess, plan, do,
	review' model and ensure that parents/carers
	and children are involved in each step. Before
	any additional provision is selected to help a
	child, the SENDCO, Teacher, parent/carer and
	learner, agree what they expect to be different
	following this intervention. A baseline will also
	be recorded, which can be used to compare the
	impact of the provision.
	Children, Parents/carers and their Teaching and
	Support Staff will be directly involved in
	reviewing progress. This review can be built in
	to the intervention itself, or it can be a formal
	meeting held at least once a term, where we all
	discuss progress and next steps.
	If a learner has an Education Health and Care
	Plan (EHC plan,) the same termly review
	conversations take place, but the EHC plan will
	also be formally reviewed annually. The
	SENDCO collates the impact data of
	interventions, to ensure that we are only using
	interventions that work. Progress data of all
	learners is collated by the whole school and
	monitored by Teachers, Senior Leaders and the
	impact of this is shared with Governors.
	Class Teachers, support staff, parents/carers
	and the learner themselves will be the first to
	notice a difficulty with learning. We ensure that
,	assessment of educational needs directly
•	involves the learner, their parents/carer and of
	course their teacher.
	The Special Educational Needs and Disability
overall effectiveness.	Coordinator (SENDCO) will also support with

Strategies/support to develop independent learning.Every Teacher is required to adapt the curriculum to ensure access to learning for a children in their class. The Teachers' Standa detail the expectations of all teachers, and w Runcorn All Saints are proud of our children their development. Each learner identified as having SEND, is entitled to support that is 'additional to or different from' a normal differentiated curricu The type of support is dependent on the individual learning needs, and is intended to enable access to learning and overcome the barrier to learning identified. This support is described on a provision map, which descrit the interventions and actions that we underta at Runcorn All Saints Primary School to sup learners with SEND across the year groups.Support /supervision at unstructured times of the day including personal care arrangements.Children who need additional and specific support have IEP's (Individual Education Pla with individual details of how best to support		the identification of barriers to learning. We aim to create a learning environment which is flexible enough to meet the needs of all members of our school community. We monitor progress of all learners, and staff continually assess - ensuring that learning is taking place. Our whole school system for monitoring progress includes regular pupil progress meetings, and staff engage in coaching and supervision. Learners can fall behind in school for lots of reasons. They may have been absent from school, they may have attended lots of different schools and not had a consistent opportunity to learn. They may not speak English very well or at all, they may be worried about different things which distract them from learning. At Runcorn All Saints we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all vulnerable learners have SEND. Only those with a learning difficulty that requires special educational provision will be identified as having SEND. We review the provision map each term, and it changes every term if needed, as our learners and their needs change. Children are provided with child friendly
times of the day including personal care arrangements. support have IEP's (Individual Education Pla with individual details of how best to support	• • • •	 Every Teacher is required to adapt the curriculum to ensure access to learning for all children in their class. Range of Provision and inclusion inform	nation:
	the senior leadership team to plan effectively for these times of the day.
	Relevant staff have been trained in medical support for diabetes. We also have staff delivering physio interventions
	There is an alternative provision in place at lunchtime where children can access quiet club – an alternative to the playground.
Extended school provision available; before and after school, holidays etc.	We have a free breakfast club daily which is open to all children in school. Bagels are also provided for each class for late arrivals.
	We offer a range of after-school clubs which are led by teaching staff, support staff and also external providers. All learners have the same opportunity to access extracurricular activities. We are committed to making reasonable adjustments to ensure participation for all.
How will we support pupils to be included in activities outside the classroom (including school trips) working alongside their peers who do not have SEND?	All staff at Runcorn All Saints take into consideration the Equality Act 2010. This legislation places specific duties on schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'
	When planning for school trips and 'activities outside of the classroom', detailed risk assessments are carried out by teaching staff to take into account children who have SEND and how to work well with peers without SEND. Additional adults may be invited to attend such activities to enable children to feel more comfortable during activities outside of school. Parents/carers' opinions are also sought before embarking on these activities.
Strategies used to reduce anxiety, prevent bullying, promote emotional wellbeing and develop self-esteem including mentoring.	We have a number of nurture sessions that support pupils throughout the day lead by our trained ELSA. Our Mental Health Ambassadors led of supporting well-being across school and have a number of key events over the year to raise awareness and support in this area. Staff led on organised games at playtimes so support those who are finding the unstructured times difficult.

Range of Provision and inclusion inform	nation:
	Changes in routines are prepared for when possible to provide necessary adjustments for children's needs. 1:1 staff are available to support children who have anxiety/are likely to react negatively to different situations or environments.
	Our Family Support Worker is available 3 days per week to work with children who lack self- esteem and to promote emotional wellbeing. She also accesses external agencies to support children's emotional/social needs.
	We have two trained Senior Mental Health Lead First Aiders in school.
	The NSPCC works with the school on a two- year cycle to help children to learn about keeping themselves safe and what to do when children feel unsafe.
	All children are taught personal, social, health and emotional education, this reinforces how to prevent anxiety/deal with bullying and also how to keep ourselves and others happy.
	There are two trained ELSA in school who deliver sessions on a 1-to-1 basis.
	Halton Family Learning Team come in to support pupils and families with different aspects of mental health and well-being.
	School Health come on led on sessions with the Year 6s and the whole staff team on stress awareness and mental health.
What strategies can be put in place to support behaviour management?	We have a wide range of strategies in place to support behaviour management including but not limited to: reward systems, playground buddies, school rules, praise and encouragement, individual behaviour charts, stickers, workers of the week, star of the week, Christian Value award, Headteacher specialist acknowledgement awards and post cards home to parents.
	The whole school use a 'good to be green' reward system and promote excellent behaviour with 'good to be gold'. If a child needs further support with behaviour an individual behaviour plan will be created.

Range of Provision and inclusion information	ation:
	Transition is a part of life for all learners. This
	can be transition to a new class in school,
	having a new teacher, or moving on to another
	school, training provider or moving in to
	employment.
	Runcorn All Saints is committed to working in
	partnership with children, families and other
	providers to ensure positive transitions occur.
	Planning for transition is a part of our provision
	for all learners with SEND.
	On entry into Reception class, children are
	encouraged to attend 'stay and play' sessions in
	morning or afternoons. They are also invited to
	come to welcome meetings along with their
	parents or carers. As part of their entry to
	school, children's needs are discussed in depth
	and additional steps may be put in place to
	ensure their best start to school. Home visits
	are carried out by the EYFS staff team.
	Transition meets are also in place between the
	SEND Leadership team and the previous setting
	to support transition at all levels.
	Moving classes will be discussed with parents
	and children at their summer term review
	meeting.
	Transition to secondary schools will be
	discussed in the summer term of Year 5, to
	ensure time for planning and preparation. The
	school participates in transition meetings with
	colleagues in local secondary schools and
	discusses children who have SEND so that their
	needs can be planned for. Children with
	additional needs are also encouraged to attend
	initial transition days in secondary schools prior
	• • • •
	to the rest of the cohort attending. This assists in
	reducing anxiety and also helps children to
	prepare for next steps before leaving our school.
	Children participate in the Halton Health
	Improvement 'Crucial Crew' activity day during
	Year 5, where they experience a wide range of
	situations that they may face when growing up.
	The school use a variety of outside agencies to
	involve children in preparing for healthy lives
	including activities such as good nutrition; drug
	and alcohol awareness, mental health and well-
	being as well as first aid skills.
